

EMC Youth Model United Nations

Digital Citizenship, Cybersecurity and Artificial Intelligence

Rabat, April 2-4, 2026

Led by the Moroccan Center for Polytechnical Research and Innovation (CMRPI), Espace Maroc Cyberconfiance Youth (EMC Youth) is organizing the first edition of Model United Nations, a diplomatic simulation and civic engagement forum that allows young people to debate the challenges of digital technology, AI, cybersecurity, and human rights, with the aim of fostering a responsible and engaged generation for a safer digital world. The initiative is sponsored by the Ministries of Justice and Foreign Affairs, with support from the Council of Europe, ICESCO, High Tech, and contributions from Meta, TikTok, and Kaspersky.
